[Yes, please have a Sky Mart rep contact me on a priority basis.]

[Clicking the 'Yes, please have a Sky . . .' button will show 'Thank you! A Sky Mart rep will get in touch with you about the Mobilgrease 28 Special Offer within 24 hours.' replaces the form.]

### About Mobilgrease 28

Mobilgrease 28 is a synthetic aviation grease with a wide range of civilian and military applications:

- Mechanisms, including bearings (plain and rolling), splines, screws, and gears (worm)
- Landing-wheel assemblies
- Control systems & actuators
- Screw jacks
- Servo devices
- Sealed-bearing motors
- Oscillating bearings
- Helicopter rotor bearings
- Naval shipboard auxiliary machinery—subject to equipment manufacturer approvals, and where superseded specifications MIL-G-81322 (WP), MIL-G-7711A, MIL-G-3545B, and MIL-G-25760A are recommended
- Industrial lubrication—conveyor bearings, small alternator bearings operating at temperatures near 350°F/177°C, high-speed miniature ball bearings, and bearing applications where oscillatory motion & vibration create problems
